**TERMINAL DISCLAIMER**

The Assignee, Bridge Semiconductor Corporation, is the owner of the entire interest in the captioned-application. The Assignee hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the captioned-application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and § 173, as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second U.S. Application Serial No. 10/714,794 filed on November 17, 2003. The Assignee hereby agrees that any patent so granted on the captioned-application shall be enforceable only for and during such period that it and any patent granted on the second application are commonly owned. This agreement runs with any patent granted on the captioned-application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the Assignee does not disclaim the terminal part of any patent granted on the captioned-application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and § 173 of any patent granted on the
